## LEADERSHIP GENERATION FUND

- ▶ Are you considering becoming a pastor or missionary in the MB family?
- ▶ Would you like some financial assistance as you explore your ministry potential?
- ▶ Do you know someone who needs a helping hand on the road to developing as a leader?

MB Foundation is pleased to announce the launch of the new **Leadership Generation Fund**.

MB Foundation is providing up to \$50,000 per year to provide scholarships for young adults who are preparing for MB ministry. We want to increase the pool of MB trained pastoral leaders in our US MB family.

**LeadGen** is designed to provide scholarships to young adults from High School to Graduate students who are exploring ministry leadership opportunities in our Mennonite Brethren family. Whether focused on the local church or the mission field, we want to encourage your development and training!
