

IDEAS FOR VIDEO DISTRIBUTION

If you want to play the video for a group and have access to an internet connection, then play it directly from our website at www.mbfoundation.com/donoradvisedfund. If you won't have an internet connection, then download the video from our website.

SUNDAY MORNING GATHERINGS:

BULLETIN ANNOUNCEMENT

An announcement for your worship service bulletin might read "The Donor Advised Fund from MB Foundation is a great way to give to our church or other ministries that you love. It's like a charitable giving account. To learn more see the flyer in your mailbox or view a brief video at www.mbfoundation.com. MB Foundation is the national stewardship ministry of the Mennonite Brethren family of churches".

ANNOUNCEMENTS

Play the video during the normal announcement time. Perhaps preface the video by saying something like "We have a special message from our national stewardship ministry, MB Foundation, that we'd like to play for you."

OFFERING

You could connect the video to the offering by saying, "I know you are familiar with how to give using cash or a check. However, did you know that the average person has 9% of their assets in cash and 91% in non-cash assets? As you prepare to give, watch this message from our national stewardship ministry, MB Foundation, who is available to help you unlock generosity from your non-cash assets."

SOME OTHER OPTIONS FOR THE VIDEO INCLUDE:

- Play it at a leadership meeting or congregational business meeting.
- Distribute it to adult Sunday School teachers or Small Group leaders and ask them to show it at their next gathering.
- Have it playing before the service begins as part of your slide show.
