

ADVENT CONSPIRACY

HOW TO GUIDE

COMMIT

Pray if this is something the local church should take on. For a church-wide Advent Conspiracy project to be successful the leadership needs to buy into Worshipping Fully, Spending Less, Giving More and Loving All this Christmas. All Leadership, Staff and Elders should be on board!

PLAN

Put a plan together as Leaders and Staff for what your Advent Conspiracy project will look like in different ministry areas of your church, i.e. children's ministry and small groups. Be creative and keep it simple!

- Choose projects that you will assist with your Advent Conspiracy offering.
- Teach people about materialism, the local and global needs, and what the meaning of Christmas is all about.
- Discover together how to give in a more relational and meaningful way.

COMMUNICATE THE VISION

Communicate the vision to Worship Fully, Spend Less, Give More and Love All to Leaders, Staff and the Body a minimum of 4 weeks before the collection date. The further out the better. Make sure church body knows about Advent Conspiracy BEFORE Black Friday (busiest shopping day of the year). Use the Promo video, for example, to help you communicate the vision. Then continue to keep your project in front of them leading up to Advent where your Advent Conspiracy celebration is talked about every week as you worship together!

CELEBRATE THE BIRTH OF CHRIST

Worship Christ in the Advent season Fully together as a body! Receive an offering that will go to groups that you have identified.
