

\$250 GRANT FOR LEGAL FEES

As an encouragement to our Pastors to model good stewardship, MB Foundation is offering a \$250 grant to help cover the cost of legal fees for those Pastors who engage in our Biblical Estate Design process.

HOW IT WORKS:

- This service is available to paid pastoral staff of USMB churches.
- MB Foundation will reimburse \$250 toward legal fees paid for completing estate documents.
- Applicant must use MB Foundation's BED process in order to qualify.

Southern District Minister, Tim Sullivan participated in our Biblical Estate Design service and has the following word of encouragement.

"Several years ago, Donna and I sensed a need to begin to put our financial world in order. We have a strong commitment to help our children and grandchildren and want to be good stewards of whatever financial resources God has given us to manage.

We worked with a Planned Giving Advisor from MB Foundation to set up a trust and put in place a plan for what would happen when Donna and I are no longer here. Our Advisor carefully listened to our hearts, made suggestions that fit with our desires and helped us discover ways to maximize the impact of our little estate. We found the planning process rewarding and actually fun!

We are so very grateful that God prompted us to do this so that the people and ministries that we love and support would receive significantly more than if we had left the planning undone. We both strongly recommend that you do this...both for yourselves and those you love."

If you are interested in a review of your current plan, or need to start from scratch...we can help! Contact one of our Advisors at 1.800.551.1547 to get started!

*Offer is available for a limited time.
